Form: Equipment Service and Warranty Agreement

This Agreement is between _____ (customer) and TOBA, Inc. Whereas, TOBA, Inc. agrees to provide a complete Equipment Service and Warranty Program including:

1. The routine replacement of all parts, components, and systems to insure the proper functioning of the placed equipment.
2. At the end of five (5) years, TTC agrees to complete a preventive maintenance inspection of the subject equipment, which may include, but is not limited to, all electrical/mechanical components.
3. TOBA, Inc. agrees to upgrade placed equipment with authorized component parts, if needed.
4. TOBA, Inc. agrees to provide free parts and labor emergency services for product support and warranty field service, as required, to support Customer's equipment needs.
5. In consideration for the above Equipment Service and Warranty Program, all products used in and with the provided equipment will be purchased at preferred customer rates from a TOBA company.

This Equipment Service and Warranty Agreement shall be for a period of sixty (60) months, and customer agrees to pay \$_____ per month. First and last two (2) payments of \$_____ due prior to installation. Customer agrees to all taxes assessed against the above equipment while it is in customer's possession. Contract may be terminated by either party with a thirty (30) day written notice. Failure to comply with a thirty (30) day written notice, customer will forfeit the last two (2) payments. This contract will automatically renew itself for twelve (12) months on each anniversary date thereafter.
